

Monica Alexander

725 Spadina Avenue, Toronto ON, M5S 2J4

monicaalexander.com

monica.alexander@utoronto.ca

Academic Appointments

University of Toronto

Assistant Professor, Statistical Sciences and Sociology

July 2018 – *current*

(Maternity leave: April 2019 – December 2019, June 2021 – December 2021)

Professional Appointments

Lead statistical consultant

UN Interagency Group

on Stateless Populations Estimation

January 2021 – *current*

Fellow

Institute for Clinical Evaluative Sciences

January 2019 – *current*

Lead statistical consultant

World Health Organization Group

on Estimation of Causes of Maternal Mortality

January 2019 – December 2020

Education

Ph.D (Demography), **University of California, Berkeley**, 2018.

Dissertation title: Bayesian Methods for Mortality Estimation.

Committee: Josh Goldstein (chair); Ken Wachter; Dennis Feehan; Jas Sekhon.

M.Arts (Statistics), **University of California, Berkeley**, 2015.

M.Social Research (Demography), **Australian National University**, 2013.

B.Science (First Class Honors) (Maths and Chemistry), **University of Tasmania**, 2008.

Papers

Peer-reviewed articles

Alexander, M., and Root, L., ‘Competing effects on the average age of infant death’. <https://osf.io/preprints/socarxiv/z4qg9/>. (Accepted, *Demography*).

Kiang MV, Chen JT, Krieger N, Buckee CO, **Alexander, M.**, Baker JT, Buckner RL, Coombs III G, Rich-Edwards JW, Carlson KW, and Onnela J-P. ‘Sociodemographic characteristics of missing data in digital phenotyping’. *Scientific Reports*. 2021;11(1):15408.

Alexander, M., Polimis, K., and Zagheni, E., ‘Combining social media and survey data to nowcast migrant stocks in the United States’, *Population Research and Policy Review*, 2020. <https://doi.org/10.1007/s11113-020-09599-3>.

Alexander, M., Polimis, K., and Zagheni, E., ‘The impact of Hurricane Maria on out-migration from Puerto Rico: Evidence from Facebook data’, *Population and Development Review*, 2019, 45(3): 617-630.

Hug, L., **Alexander, M.**, You, D., and Alkema, L. ‘National, regional, and global levels and trends in neonatal mortality between 1990 and 2017, with scenario-based projections to 2030: a systematic analysis by the United Nations Inter-agency Group for Child Mortality Estimation’, *Lancet Global Health*, 2019, 7(6): 710–720.

Kiang, M.V., Basu S., Chen J., and **Alexander, M.** ‘Assessment of Changes in the Geographical Distribution of Opioid-Related Mortality Across the United States by Opioid Type, 1999-2016’. *JAMA Network Open*. 2019, 2(2):e190040.

Gemmill, A., Kiang, M.V., and **Alexander, M.** ‘Trends in pregnancy-associated mortality involving opioids in the United States, 2007–2016’, *American Journal of Obstetrics and Gynecology*, 2019, 220(1): 115–116.

Alexander, M., Kiang, M.V., and Barbieri M., ‘Trends in Black and White Opioid Mortality in the United States, 1979–2015’, *Epidemiology*, 2018, 29(5): 707–715.

Alexander, M., and Alkema, L., ‘Global Estimation of Neonatal Mortality using a Bayesian Hierarchical Splines Regression Model’, *Demographic Research*, 2018, 38(15): 335–372.

Grants awarded

Principal Investigator:

Social Sciences and Humanities Research Council 2019–2022
Insight Development Grant
Using Facebook data to measure and understand international migration patterns in Canada
 CAD \$59,000

University of Toronto Connaught New Researcher Award 2019–2021
 CAD \$18,900

Partner Investigator:

Australian Research Council 2019–2022
Discovery Project Grant
Developing Robust Small Area Population Forecasts for Planning and Policy

Professional Experience

World Health Organization
Consultant September 2016 – June 2017

Data Science for Social Good
Fellow May 2016 – September 2016

Human Mortality Database
Graduate Student Researcher January 2015 – May 2016

UNICEF Technical Advisory Group
Consultant March 2014 – July 2015

The Centre for Aboriginal Economic Policy Research*Research Officer*

April 2012 – December 2014

Reserve Bank of Australia*Analyst/Senior Analyst*

February 2010 – June 2013

Teaching

University of Toronto

Applied Statistics II (graduate, statistics)

Winter Semester, 2020, 2021

Demographic Methods (graduate, statistics)

Winter Semester, 2019

Materials: <https://github.com/MJAlexander/demographic-methods>

Intermediate data analysis (graduate, sociology)

Winter Semester, 2021

Intermediate quantitative methods (undergraduate, sociology)

Fall Semester, 2020

University of California, Berkeley*Instructor*, Formal Demography Workshop

June, 2017

Instructor, Formal Demography Workshop

August, 2015

Graduate Student Instructor, Demographic Methods

Fall Semester, 2014

Other*Instructor*, Introduction to Causal Inference, ITAM

March, 2017

Instructor, IUSSP Workshop on social media data and demography

August, 2016

Conference presentations and invited talks

2021***A Bayesian cohort component projection model for estimating subnational populations***Demography Seminar Series, *Australian National University* (May)CPC Seminar Series, *University of Southampton* (April)Pop Center Brown Bag, *Florida State University* (February)STAB Working Group, *University of Washington* (February)***Overcoming barriers to sharing code***Toronto Workshop on Reproducibility, *University of Toronto* (February)***Using social media data to estimate migration***Mathematics and Statistics Seminar, *Maynooth University* (February)**2020*****Future Projections of State-Level Foster Care Populations in the United States***APPAM Annual Meeting, *Virtual meeting* (November)***Bayesian hierarchical models in demographic research***CERSI seminar series, *Yale University* (November)***Using social media data to estimate migration***

Toronto Data Workshop (December)

Berkeley Formal Demography Workshop (June)

NEST seminar series, *Western University* (March)

2019***Reproducibility in demographic research***

MPIDR Open Science Workshop, Rostock, Germany (October)

Combining social media data and traditional surveys to predict migration stocks

MPIDR-IUSSP Workshop on Migration Data and Models for a Better World: Perspectives from Academia, Data Science, and International Organizations, at ASA 2019: New York, NY (August)

Cornell Population Center, *Cornell University* (February)

2018***Combining social media data and traditional surveys to predict migration stocks***

European Symposium in Computational Social Science: Cologne, Germany (December)

School of Geography, *University of Queensland* (November)

Institute for the Study of Social Change, *University of Tasmania* (October)

Symposium of Digital Demography: Rostock, Germany (October)

Center for Population Dynamics, *McGill University* (September)

European Population Conference: Brussels, Belgium (June)

Estimating subnational populations of women of reproductive age

International Society for Bayesian Analysis World Meeting: Edinburgh, Scotland (June)

European Population Conference: Brussels, Belgium (June)

Max Planck Institute for Demographic Research (May)

PAA Annual Meeting: Denver, CO (April)

Institute of Disease Modeling Symposium: Seattle, WA (April)

The spatial distribution of opioid mortality by race in the United States

European Population Conference: Brussels, Belgium (June)

2017***Modeling and understanding mortality disparities***

School of Demography, *Australian National University* (December)

Department of Statistics, *University of Toronto* (December)

Department of Sociology, *University of Washington, Seattle* (November)

Temporal smoothers for use in demographic estimation

IUSSP: Cape Town, South Africa (October)

Statistics working group, *University of Massachusetts, Amherst* (February)

Opioid-related deaths by race in the United States: trends and patterns in multiple causes of death

PAA Annual Meeting: Chicago, IL (April).

Honors

Doctoral Completion Fellowship (*UC Berkeley*) 2017-2018

Elizabeth Scott Memorial Award (*UC Berkeley*) 2015

Statistics MA student showing the most promise in statistical research.

Regents-Intern Fellowship (*UC Berkeley*) 2013-2015

Lado Ruzicka Prize in Social Research (*Australian National University*) 2013

Awarded to the most outstanding Master of Social Research candidate.

- W.D. Borrie Prize** (*National essay competition, Masters category*) 2012
For best student paper on a population-related topic.
- University Medal** (*University of Tasmania*) 2008
One of three awarded to the most outstanding Science and Technology undergraduates.
- Edith Rita Lowenstern Prize** (*University of Tasmania*) 2008
Awarded to the most outstanding mathematics honors student.

Service

Panel Member: *International Union of Scientific Study of Populations panel on Digital Demography.*

Team Member: *Consortium on Analytics for Data-Driven Decision-Making (CAnD3).*

Founder and Organizer: *R-Ladies Toronto.* This community-led group aims to promote gender diversity in the R community in Toronto. Our community is designed to develop our members' R skills and knowledge through social, collaborative learning and sharing.

Reviewer: *Australian Journal of Labour Economics; Annals of Applied Statistics; Demography; Demographic Research; Epidemiology; European Journal of Population; Genus; Population and Development Review; Population Research and Policy Review.*
