Academic Appointments

University of Toronto

Assistant Professor, Statistical Sciences and Sociology

July 2018 – *current*

Professional Appointments

Lead technical advisor

World Health Organization Group

on Estimation of Causes of Maternal Mortality

January 2019 – *current*

Fellow

Institute for Clinical Evaluative Sciences

January 2019 – *current*

Member

Technical Advisory Group to the World Health Organization

on Violence Against Women (Estimation and Data)

January 2018 – *current*

Education

Ph.D (Demography), **University of California, Berkeley**, 2018.

Dissertation title: Bayesian Methods for Mortality Estimation.

Committee: Josh Goldstein (chair); Ken Wachter; Dennis Feehan; Jas Sekhon.

M.Arts (Statistics), **University of California, Berkeley**, 2015.

M.Social Research (Demography), **Australian National University**, 2013.

B.Science (First Class Honors) (Maths and Chemistry), **University of Tasmania**, 2008.

Papers

Peer-reviewed articles

Hug, L., **Alexander, M.**, You, D., and Alkema, L. ‘National, regional, and global levels and trends in neonatal mortality between 1990 and 2017, with scenario-based projections to 2030: a systematic analysis by the United Nations Inter-agency Group for Child Mortality Estimation’, *Lancet Global Health*, forthcoming.

Kiang, M.V., Basu S., Chen J., and **Alexander, M.** ‘Assessment of Changes in the Geographical Distribution of Opioid-Related Mortality Across the United States by Opioid Type, 1999-2016’. *JAMA Network Open*. 2019, 2(2):e190040.

Gemmill, A., Kiang, M.V., and **Alexander, M.** ‘Trends in pregnancy-associated mortality involving opioids in the United States, 2007–2016’, *American Journal of Obstetrics and Gynecology*, 2019, 220(1): 115–116.

Alexander, M., Kiang, M.V., and Barbieri M., ‘Trends in Black and White Opioid Mortality in the United States, 1979–2015’, *Epidemiology*, 2018, 29(5): 707–715.

Professional Experience

University of Massachusetts, Amherst <i>Graduate Student Researcher</i>	January 2017 – June 2018
World Health Organization <i>Consultant</i>	September 2016 – June 2017
Data Science for Social Good <i>Fellow</i>	May 2016 – September 2016
Human Mortality Database <i>Graduate Student Researcher</i>	January 2015 – May 2016
UNICEF Technical Advisory Group <i>Consultant</i>	March 2014 – July 2015
The Centre for Aboriginal Economic Policy Research <i>Research Officer</i>	April 2012 – December 2014
Reserve Bank of Australia <i>Analyst/Senior Analyst</i>	February 2010 – June 2013

Teaching

University of Toronto Demographic Methods	Winter Semester, 2019
University of California, Berkeley <i>Instructor</i> , Formal Demography Workshop	June, 2017
<i>Instructor</i> , Formal Demography Workshop	August, 2015
<i>Graduate Student Instructor</i> , Demographic Methods	Fall Semester, 2014
Other <i>Instructor</i> , Introduction to Causal Inference, ITAM	March, 2017
<i>Instructor</i> , IUSSP Workshop on social media data and demography	August, 2016

Conference presentations and invited talks

2019

Combining social media data and traditional surveys to predict migration stocks
Cornell Population Center, *Cornell University* (February)

2018

Combining social media data and traditional surveys to predict migration stocks
European Symposium in Computational Social Science: Cologne, Germany (December)
School of Geography, *University of Queensland* (November)
Institute for the Study of Social Change, *University of Tasmania* (October)
Symposium of Digital Demography: Rostock, Germany (October)
Center for Population Dynamics, *McGill University* (September)
European Population Conference: Brussels, Belgium (June)

Estimating subnational populations of women of reproductive age

International Society for Bayesian Analysis World Meeting: Edinburgh, Scotland (June)

European Population Conference: Brussels, Belgium (June)

Max Planck Institute for Demographic Research (May)

PAA Annual Meeting: Denver, CO (April)

Institute of Disease Modeling Symposium: Seattle, WA (April)

The spatial distribution of opioid mortality by race in the United States

European Population Conference: Brussels, Belgium (June)

2017***Modeling and understanding mortality disparities***School of Demography, *Australian National University* (December)Department of Statistics, *University of Toronto* (December)Department of Sociology, *University of Washington, Seattle* (November)***Temporal smoothers for use in demographic estimation***

IUSSP: Cape Town, South Africa (October)

Statistics working group, *University of Massachusetts, Amherst* (February)***Opioid-related deaths by race in the United States: trends and patterns in multiple causes of death***

PAA Annual Meeting: Chicago, IL (April).

2016***A flexible Bayesian model for estimating subnational mortality***Statistics working group, *University of Massachusetts, Amherst* (November)

European Population Conference: Mainz, Germany (August)

PAA Annual Meeting: Washington, DC (April)

Demography brown bag, *University of California, Berkeley* (March)**2015*****Global estimation of neonatal mortality***

UNICEF Inter-agency Group on Mortality Estimation (March, April and May)

PAA Annual Meeting: San Diego, CA (April)

Honors**Doctoral Completion Fellowship** (*UC Berkeley*) 2017-2018**Elizabeth Scott Memorial Award** (*UC Berkeley*) 2015

Statistics MA student showing the most promise in statistical research.

Regents-Intern Fellowship (*UC Berkeley*) 2013-2015**Lado Ruzicka Prize in Social Research** (*Australian National University*) 2013

Awarded to the most outstanding Master of Social Research candidate.

W.D. Borrie Prize (*National essay competition, Masters category*) 2012

For best student paper on a population-related topic.

University Medal (*University of Tasmania*) 2008

One of three awarded to the most outstanding Science and Technology undergraduates.

Edith Rita Lowenstern Prize (*University of Tasmania*)
 Awarded to the most outstanding mathematics honors student.

2008

Service

Panel Member: *International Union of Scientific Study of Populations panel on Digital Demography.*

Founder and Organizer: *R-Ladies Toronto.* This community-led group aims to promote gender diversity in the R community in Toronto. Our community is designed to develop our members' R skills and knowledge through social, collaborative learning and sharing.

Reviewer: *Australian Journal of Labour Economics; Annals of Applied Statistics; Demography; Demographic Research; Epidemiology; European Journal of Population; Genus; Population Research and Policy Review.*
